

Trade in your old MoM!

Send us your old Meg-Ohm-Meter in trade...
...and get up to \$400 off a NEW ALL-TEST Pro Motor Tester!

For a limited time, purchase an ALL-TEST PRO AT31™ or AT33 IND™ electric motor tester and send in your old, tired, working or non-working Meg-Ohm-Meter as a trade in!

When a motor system quits running, staff electricians are often the first responders. Meg-Ohm-Meters and volt/ohm meters are severely limited to their one task. Make sure they are equipped to test and troubleshoot motor failures with the best instruments available.

Make sure your staff electrician has the right tool to troubleshoot and do incoming inspection of new and repaired motors. Trade in your electrician's old Meg-Ohm-Meter for a reliable, easy-to-use ATP tester today.

Meg-Ohm-Meters vs. ALL-TEST Pro Motor Testers:

	Ground Faults	Internal Faults between Windings	Rotor Faults
Meg-Ohm-Meter	YES	NO	NO
ALL-TEST Pro	YES	YES	YES

Meg-Ohm-Meter Trade-In Offer

Here's How It Works:

1. Purchase an AT31™ or AT33 IND™ from one of our authorized distributors*, and upon receipt of the instrument, send in the trade-in coupon to receive your check. Value of old Meg-Ohm-Meter trade-in on an AT31™ is \$250.00 and the value on an AT33 IND™ is \$400.00.

* Instruments may also be purchased directly from ALL-TEST Pro, LLC.

2. Ship your old Meg-Ohm-Meter with Trade-in Coupon to:

ALL-TEST Pro, LLC.
813 Boston Post Road
Old Saybrook, CT 06475

3. Canadian Residents - Send Trade-in Coupon to ALL-TEST Pro, LLC and send Meg-Ohm-Meter back to your authorized ATP distributor.

Be sure to mark the package "Trade-in program - ATP," and enclose a copy of your purchase receipt.

ALL-TEST Pro, LLC (ATP) Trade-In Offer Terms:

This offer valid only with the purchase of an AT33 IND™ or AT31™ instrument with software from an authorized distributor or direct in the United States or Canada, between the dates of April 25, 2017 through December 15, 2017, to residents of the United States and Canada.

ATP will not honor delayed trade-ins due to distributors being out of stock on any product in this promotion. All requests and submitted Meg-Ohm-Meters become the property of ATP and will not be returned. ATP is not responsible for late, lost, damaged, misdirected, incorrect, incomplete, illegible or postage due requests or requests that are not properly submitted for any reason. Keep copies of submitted materials for your records. All applicable taxes associated with the rebate are the responsibility of the recipient. Promotion valid on new products only. Factory refurbished products do not apply. Limit one trade-in coupon per company/person. Offer not redeemable for cash and is non-transferable. Offer may not be available with other rebates, offers or promotions. Trade-ins submitted by ATP resellers, distributors and manufacturer representatives will not be honored. This rebate is solely for the instrument buyer and ultimate company and or user. Rebates will be paid via mail in check format; no wires, ACH or other options available. Offer valid April 25, 2017 through December 15, 2017.
